

## **Who is Jesus?**

Part 2: A Genealogical Roadmap to Jesus, the Messiah

### Discussion

*Why did God go out of his way to help us identify who the Christ would be?*

*How does the OT treasure map to the Christ reveal the continuity of Scripture, especially between the Old and New Testaments? Why does this matter?*

The OT treasure map to the Christ reveals he would be both Savior and King. *In what sense would he be our Savior? Our King?*

### **Read John 1:12; 3:16; 10:27-30**

*Why is it important to understand that Jesus is both our savior and king?*

*How are Jesus's roles as savior and king different?*

*How are they related?*

*How do we enjoy Christ as Savior?*

### **Read John 3:35-36; Romans 10:9-10**

Is it possible for Christ to be your savior without being your lord (king)?

### **Read John 15:1-11**

*According to Jesus, how do we follow him as King?*

*What does this look like for us, practically?*
